

Une langue est bonne.
Deux langues
(ou plus) sont préférables!

Two languages
(or more) are better!

Célébrer la Journée
des langues officielles

des langues officielles.

français et l'anglais.

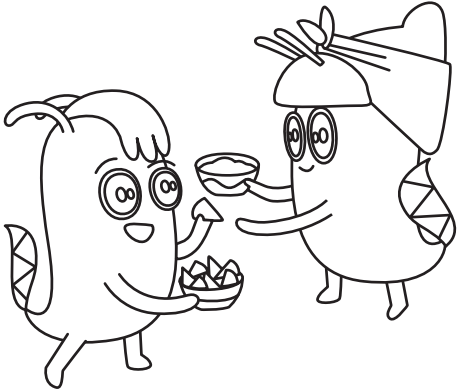

Films et pop-corn.

Not every Canadian is
going to be bilingual.

Eggs and bacon.

Houmous et pita.

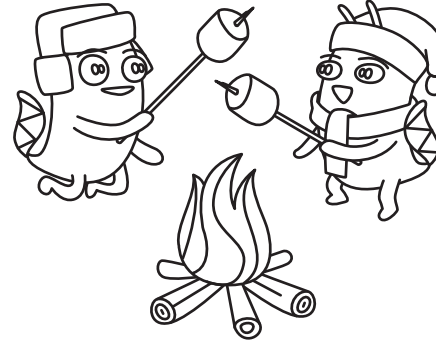

Chaque Canadien peut
apprécier l'autre.

Peanut butter and jelly.

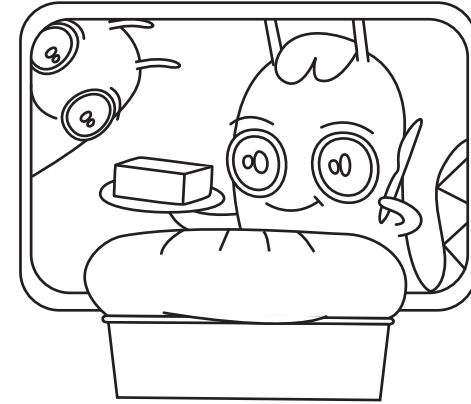

It doesn't matter what
your first language is.

Guimauves et
feux de camp.

Les langues officielles du
Canada créent un
sentiment d'appartenance
et de respect mutuel.

Bread and butter.

Some things are just
better together.
